Greetings,

My name is Emily Drouin and I am a professional illustrator, concept artist, graphic designer, video editor, animator, marketer and events organizer. I am submitting my resume for your consideration for the position of Production Artist.

Qualifications include over 20 years of professional illustration, children's book and comic publishing, graphic and web design, video editing, 2D animation, concept art and character design, customer service, event organizing, print and online marketing, teaching, extensive knowledge of Adobe Creative Suite, Wordpress, OBS, and excels at design and the visual art of storytelling. I am a proud member of the National Cartoonists Society and the Society of Children's Book Writers & Illustrators.

I earned my BA in Graphic Design from Keene State College, studied art at the NH Institute of Art & Design, the Currier Art Center, interned at Disney, as well as won Scholastic Art Awards. I provided character designs and concept art for Netflix Animation, Nickelodeon, as well as creative work for Life Is Good, PBS, Palmer, Silvertech, SubItUp, Children's Museum of NH, NH Housing Authority, Boston Comic Con, Baltimore Comic Con, Yankee Air Museum and more.

Publications include: *The Pumpkin Wizard* children's book series, *EPLIS* comic book series, *Hyperdork*, *Are You My Girlfriend?*, *Mundane Men*, *Cul-de-Sac Kids*, *For the Love of Rey*, *Heroes of Black History* activity book, *Affirmations* coloring book, event programs and more. My work has also been featured in *Bleeding Cool*, the *Boston Globe*, *Business NH*, *WMUR News*, *NH Chronicle*, *News Maine*, *PBS*, *NH Magazine*, *Parenting NH*, the *Hippo*, *Fanboy*, *Kids Love Comics*, conventions and museum exhibitions.

I enjoy teaching art workshops, as well as running Kids Con New England, the region's first, largest and favorite comic con for kids, with events in NH and Maine. Last spring, I organized and ran a successful two day online comic con event, Kids Con Online, in which I also video edited and animated. It was a fun and unique event that brought together comic and children's book creators, gamers, cosplayers and families from across the country.

Thank you for your time and consideration. I look forward to hearing from you!

Sincerely,

Emily Drouin

EPLIS

EPLIS Comic Book Series: (©2013 - Present) Self published, digital & print.

Written by Emily and Jeremy Drouin. Illustrated by Emily Drouin.

Sci-fi action adventure comic book series for ages 5 and up, 144 pages.

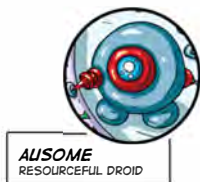

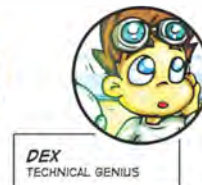

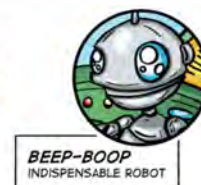

Website: emilyatplay.com

Book Series Trailer: youtu.be/rtjBu4Facgw

Description: The powerful and insatiably hungry Krios cross the galaxy on an endless hunt for energy, devouring entire star systems along the way. Meanwhile, the brilliant Dr. Archimedes attempts to unravel an ancient power as old as time itself. Join the crew of the Luna as they embark on an epic journey across space and time to find the Doctor, unlock the powers of the EPLIS, defeat the Krios and save the galaxy!

CHARACTERS:

EPLIS: The Elestial Pulse Link Integration Synchrotron, or EPLIS for short, is a device created by Dr. Archimedes. Its purpose is to tap into the unique properties of a particularly powerful elestial segment discovered by the Doctor. The device became quantumly connected to the Doctor following an attack by the Krios and randomly sends him to locations with other segments. The Doctor speculates the EPLIS may be sentient but cannot prove it.
